Overview of towns and cities with fare categories A1 through A3
on pages 10 and 11
Prices in euros per month

VRR fare categories

Fare category A

Fare category A is generally valid for trips within a city or town.

A1 in smaller cities and towns

A2 in eleven larger towns and cities with good public transport networks

A3 in five large cities with very dense and high-quality local transport services

Example: Fare category A1 Wesel

Fare category B

In fare category B, select a central fare zone from which you can travel into the directly adjacent fare zones. Note that the central fare zone does not need to be the fare zone in which you reside. You could, for example, live in Krefeld, but choose Willich as your central tariff area.

Example: Fare category B with central fare zone Willich and bordering fare zones

Fare category C

Fare category C covers moderate travel distances. You can choose between 19 different regions within the VRR network.

Example: Fare category C with region no. 15

Fare category D

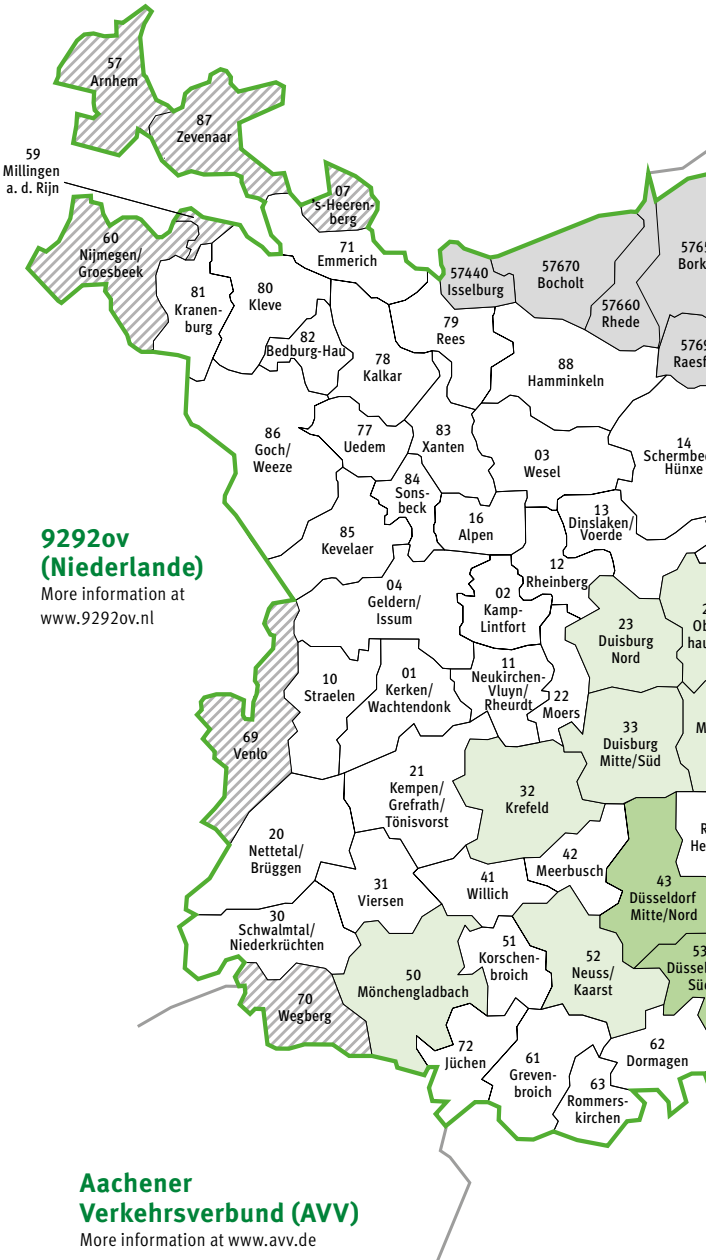

With tickets of fare category D, you can travel anywhere within the entire VRR network.

Overview of fare category D on pages 6 and 7.

Would you like to go beyond the network area?

Why you can only benefit from a subscription ticket:

NEW

Termination possible at any time: You can terminate your Ticket2000 or Ticket1000 subscription at any time by the 15th day of a calendar at the end of the month. If you terminate your ticket before the end of the first 12 months, a flat-rate fee of EUR 20.00 will be charged. After the first 12 months, no subsequent charge will apply. The period of notice by the 15th day of a calendar month for termination at the end of the month remains unchanged.

- You can save hard cash compared to a regular monthly pass.
- You can save time by not having to buy individual tickets or wait in queues.
- Your subscription pass will be in the form of a chip card, meaning that you will never have to worry about forgetting to buy new monthly passes.
- You can travel at your leisure by bus or train, since your ticket will always be on you.
- You can change the fare category of your subscription ticket at no charge as needed.
- If you lose your chip card, we will quickly issue a replacement (subject to presentation of a photo ID and payment of a small processing fee).

Bicycle transport

In general, the transport company will gladly transport your bicycle as well. However, in the interests of all passengers, this may depend on the time of day, the volume of passengers and the space available. Please familiarise yourself in advance with the applicable carry-on regulations of your transport company.

Timetable app

Would you like to travel by bus and rail and do you need information and services for your journey? With the VRR timetable app and the timetable apps from the local transport companies for iOS and Android you can always have your own personal travel companion with you. Simply enter your starting location and your final destination and the app will show the local transport connections you need to take. If there should be any service interruptions during your journey, you shall be informed of this on your smartphone. You can download the apps from the respective app stores.

Mobility guarantee

We always want to bring you to your destination speedily. If we are ever unable to do so, e.g. due to congestion, parking offenders, or vehicle issues, you will profit from the mobility guarantee that we offer for all VRR- and NRW-tariff tickets.

It applies when the local transport you want to use is cancelled or if it is at least 20 minutes behind schedule when leaving the departure stop. You must get on the alternative means of transport chosen within 60 minutes. If you use an IC/EC or ICE, a taxi or a sharing option (e.g. car, bike, e-scooter sharing, on-demand transport) for your trip instead, we will reimburse part of the additional costs arising for it.

Users of the Ticket2000 can receive up to **EUR 60.00** around the clock. Users of Ticket1000 will receive up to **EUR 30.00** between 5 a.m. and 8 p.m., and up to **EUR 60.00** from 8 p.m. to 5 a.m.

To claim this reimbursement, simply submit your application to your traffic provider within 14 calendar days after the delay. You can get the form for it from your KundenCenter or download it from **www.vrr.de**.
